(regularly \$34.95)

Are you one of those people who cringe when they see Christmas decorations appearing in the stores the minute Halloween is over (and even earlier in some cases)? Well, don't hold it against us because this year Watt Works is one of the offenders. Our stock of LED Holiday Lights just came in! These high-quality, commercial-grade light strings will save you energy and last for years. And we have them in **warm white**. No more blue-white LED's! Stop by & check them out.

Although we have been enjoying some beautiful weather lately, the cold weather is coming soon. Did you know Watt Works makes custom interior storm windows and fireplace covers? Read below for more information.

And don't forget - the AEP Ohio Residential Rebate on the LR6 LED Downlight expires at the end of the year! Keep an eye out for a special edition of the Watt Works Energy Efficiency Newsletter next week that will feature installations of LR6. See how Watt Works has helped our clients save money, reduce energy and improve light quality in both residential and commercial applications.

April Kasun
Sales Manager, Watt Works, Inc.

➔ Stop Leaks with Custom Interior Storm Windows and Fireplace Covers

Watt Works custom fabricates interior storm windows and fireplace covers to help reduce air leaks and make your home more comfortable.

Magnetic Acrylic Interior Windows

- Stop drafts and seal leaky windows - you feel warmer immediately
- Instant energy savings - reduce heating bills & cut summer A/C costs
- Eliminates condensation & ice buildup on windows in cold weather
- Stops 90% of Ultraviolet Radiation which greatly reduces fading of furniture
- Install & remove easily
- Less expensive & easier to install than replacement windows
- Quick payback; often pays for itself in two years or less of energy savings

For more information on our magnetic interior storm windows, [click here](#).

Magnetic Fireplace Covers

*Offer expires 12/31/09 or while supplies last

Watt Works is proud to be a Lighting Facts LED Product Partner and to sell Energy Star products.

- Custom made to fit your fireplace
- Seals the fireplace, completely eliminating air movement up or down the chimney into the room
- Aluminum cover with black power coat finish, dark brown magnetic frame & satin nickel handles
- Install & remove easily

*Note: we are currently not able to make the 2" deep cover.

➔ Greenovate Launches Ongoing Community Education Program

Greenovate has developed an ongoing education and outreach program called Greenovate In-Focus, which will begin in November with a four-part workshop series, "How to stay green through the winter."

Free and open to the public, the upcoming series will cover topics such as weatherization and indoor air quality, and feature interactive presentations led by industry experts. Attendees are encouraged to bring questions.

"Energy audits: an introduction to weatherization"
Thursday, November 12 from 6:00 - 8:00 PM
Speakers: Don Hall (Watt Works) and Marty Ellis (MORPC)

"Achieving costs savings with efficient lighting"
Thursday, November 19 from 6:00 - 8:00 PM
Speakers: Don Hall (Watt Works) and Marty Burns (VELUX)

"Protecting indoor air quality with Mythic Paint"
Thursday, December 3 from 6:00 - 8:00 PM
Speaker: Rocky Prior (Mythic Paint)

"Achieving cost savings with efficient windows and doors"
Thursday, December 10 from 6:00 - 8:00 PM
Speakers: Kevin Zuccaro (Pella Windows & Doors) and Ron Green (Jeld-Wen Windows & Doors)

All sessions will be held at Greenovate in the Short North (9 East Second Avenue, Columbus, OH 43201). Interested parties can register by submitting an RSVP to contact@greenovate.com. For more information, visit www.greenovate.com

More information regarding the products mentioned in this newsletter can be found on our website at www.wattworks.com. Products can be purchased online, by phone at 614-458-1162 or in our Columbus store.

\$89 LR6 LED Downlight Module

Available to all residential AEP Ohio customers - NO COUPON NEEDED!
To learn more about the LR6, [click here](#).

The \$10 AEP rebate can be used for up to 12 LR6's per address from August 28th and December 31st, 2009. Additional quantities can be purchased from Watt Work at \$99 each during this promotion. Offer applies to residential AEP Ohio customers only. Contact Watt Works for savings opportunities for non-AEP Ohio customers.
